

Great Results Guarantee

**Under the agreement for 2015
Quilpie State College will receive**

\$13,360*

*Estimated on 2014 data. Actual funding will be determined after 2015 enrolment data is finalised.

This funding will be used to

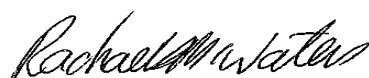

- Students in Years 5-9 will increase their achievements by at least 1 band in NAPLAN 2015 Reading, Writing and Numeracy through explicit teaching, compared to their 2013 individual results.
- Every student will achieve at least a 'c' standard at the level they access in English and Mathematics through the implementation of the Explicit Teaching Model in all classes.
- Increase the percentage of Prep students able to read and comprehend short predictable texts and compose and record short, meaningful sentences to 75%.
- Increase staff capacity to teach writing skills.
- Support all students to achieve NMS in Literacy and Numeracy.
- Develop an evidence based plan for students at risk of not achieving NMS in Literacy and Numeracy.

Our strategy will be to

- Review the students' performance data in 5 weekly intervals by developing a collaborative data inquiry process.
- Better support teachers and teacher aides to consolidate student learning in Literacy and Numeracy through engagement with the NCR Mathematics diagnostics and 7 Steps to Writing.
- Establish a professional learning community of school leaders to share and evaluate strategies and their impact. Engage with the Pedagogy Coach.
- Better support students who are at or above NMS to reach upper 2 bands in Literacy and Numeracy.
- Continue to implement Anita Archer Explicit Instruction strategies in every classroom.
- Motivate all staff and students through the FISH Philosophy motivational learning experience to increase student engagement at Quilpie State College and provide a productive learning environment.

Our school will improve student outcomes by
