

Investing for Success

**Under this agreement for 2018
Quilpie State College will receive**

\$55,649*

This funding will be used to:

- ensure that 85% of students will achieve at least a 'C' standard in English (2017 = 76%)
- ensure that 85% of students are above the Regional reading benchmark (2017 = 48% above).

Our initiatives include:

- increasing the capability of staff to provide effective reading intervention to improve reading achievement
- embedding an effective observation and feedback model to enhance teacher expertise
- providing focused and intensive support for students to achieve individual reading goals
- enhancing current reading practices with sustainable resources.

Our school will improve student outcomes by:

Action	Cost
Teachers and teacher aides will participate in MultiLit training in order to provide effective reading intervention to improve reading achievement of students	\$31 000
Teachers and teacher aides participate in a professional learning program to support our peer observation model presented by Growth Coaching International	\$15 000
Purchase additional teacher aide hours to support individual academic achievement	\$6 649
Invest in targeted reading resources that support the provision of the Australian Curriculum	\$3 000

Hayden Park
