Our school initiatives are showing substantial progress toward our targets

After reviewing our 2016 *Investing for Success* agreement, it is clear that we have made progress toward our targeted student outcomes. We will continue to focus on maximising the benefits of this funding for our students, and adjust our initiatives as needed to ensure every student succeeds.

Initiatives implemented include:

- Develop a whole school approach to teaching literacy and numeracy across all learning area (Better prepare and support teacher aides to extend students learning in numeracy and literacy).
- Develop teachers' capacity to embed feedback in teaching and learning cycles.
- Build teacher capacity in gathering and using evidence to determine the different year-level curriculum some students require and to develop and successfully implement challenging yet realistic and achievable ICP's.
- Provide professional development in the areas of Reading and Positive Behaviour.
- Support teachers to effectively collect and use data to inform targeted teaching.
- Support teachers through regular planned and timely coaching and feedback sessions.
- Develop an expert teaching team that shares knowledges using highly effective pedagogical practices.
