Our school initiatives are showing substantial progress toward our targets

After reviewing our 2017 *Investing for Success* agreement, it is clear that we have made progress toward our targeted student outcomes. We will continue to focus on maximising the benefits of this funding for our students, and adjust our initiatives as needed to ensure every student succeeds.

Initiatives implemented include:

- Accessing professional development in reading, literacy and data for staff that is consistent with school wide practice and school improvement including:
 - OneSchool training in planning, Literacy Continuum, data and dashboard.
 - Participating the Leading Learning Collaboratively Program.
 - QCAA guide to assessment and making judgments.
 - Planning for the reading demands across Learning Areas.
- Employing a teacher aide assist in the provision of reading intervention to support at risk students.
 - Providing MiniLit and Reading Tutor.
- Accessing regional support staff to review and provide feedback on the quality of curriculum aligned school frameworks – reading, peer coaching and Positive Behaviour for Learning.
- Purchasing classroom reading and literacy resources to support the implementation of the reading framework and Australian Curriculum.
 - Levelled PM reading books and resources.
 - Lexia Reading Core 5.
- Participating in *IMPACT* projects to boost the literacy and numeracy achievement of high performing students.
